

Native Hedge Supply Scheme – Application form

Go Native – Plant Native with Guernsey Trees for Life.

Thinking of planting a hedge this winter? If you are then **Think Native-Go Native** by taking advantage of GTFL's fantastic **Native Hedge Supply Scheme**. By planting native hedging, you will be taking a crucial step to support our important habitat & local wildlife and help combat climate change and the loss of biodiversity.

Guernsey Trees for Life is working together with **Guernsey Gardens** to offer £25 off a bundle of 25 bare root native hedge plants, up to a maximum discount of £200 per customer (equal to 200 bare root plants or 8 bundles) per planting season (December - February inclusive). The prices in the table below are before the subsidy is applied so you can have up to 200 bare root hedge plants free! For pot grown plants (gorse, tamarisk & holly) the price is reduced by a pound a plant so you pay a reduced amount per plant. The whole scheme is subject to an overall cash limit for each planting season.

How does the scheme work?

Just fill out this form with your name and contact details, list the species of hedging you want and how many bundles you wish to order and take this form or send it to Guernsey Gardens **on or before the 1st November 2026**. Guernsey Gardens will then place a group order for hedge plants. Once the plants arrive you will then be contacted with a date to collect them.

I wish to order:

Species – bare root 30/40cm – with prices before subsidy applied	Number of bundles of 25 bare root plants (minimum order: one bundle ie 25 plants)
Field maple (<i>Acer campestre</i>)- £1/plant	
Hawthorn (<i>Crataegus monogyna</i>) - £1/plant	
Hazel (<i>Corylus avellana</i>) - £1/plant	
Hornbeam (<i>Carpinus betulus</i>) - £1/plant	
Sloe (<i>Prunus spinosa</i>) - £1/plant	
Willow (Sallow) (<i>Salix cinerea</i>) - £1/plant	
Beech (<i>Fagus sylvatica</i>). - £1/plant	
Myrobalan plum (<i>Prunus cerasifera</i>) - £1/plant	
Species – pot /cell grown	Number of plants (pot/cell grown)
Gorse (<i>Ulex europaeus</i>) - £4/pot	
Holly (<i>Ilex aquifolium</i>) - £4/pot	
Tamarisk (<i>Tamarix</i> spp) - £7/pot	

PLEASE FILL OUT YOUR DETAILS ON THE REVERSE OF THIS FORM:

Name:

Address of site to be planted [first line+ postcode]:

Email:

Tel No:

Please note that you can only order bare root plants by the bundle (of 25 bare root transplants of the same species) ie 25, 50, 75 etc; bundles are not broken down and bare root plants are not sold individually or by the part bundle. Pot grown species (holly, gorse & tamarisk) can, however, be ordered individually.

By filling out & signing this form you agree to place an order for hedge plants with Guernsey Gardens for hedging plants which are discounted up to a maximum of £200 per customer (maximum £1 per plant). You also agree to submitting your contact details. These will be held by Guernsey Gardens for the purpose of contacting you to collect your hedging from their nursery in La Ramee. Your contact details will be shared with GTFL for the purposes of verification, audit & payment of monies to Guernsey Gardens.

Please answer the following two questions and then sign & date this form. Unless you answer yes to either question below GTFL will delete your details 12 months from the date of receipt of information.

Would you like to become a member of GTFL? **Yes / No**

Would you like to find out more about GTFL? **Yes / No**
